Hugo Sofa

Introducing the newly reimagined Hugo Sofa. This head turning sofa blends traditional style and comfort with modern industrial technique. A classic backrest is replaced with a myriad of free-floating feather cushions, allowing rearrangement to your own satisfaction. Even more inviting is the generous width and seat depth. The delicate but strong legs create the illusion of floating. Unwinding with Hugo will surely bring you up to cloud nine.

Modular pieces also available separately.

Details

- Kiln-dried hardwood frame with doweled joints and reinforced corner blocks
- Soft-padded frame made with polyurethane foam wrapped in polyester fiber
- 8 gauge sinuous spring construction
- 3 layer high-density foam cushioning topped with premium 100% goose feathers
