

Rove Concepts

Noah Sectional

Exuding stylish form and comfort, Noah is a wide-width and low profile piece inspired by modern and Nordic design. The gorgeous naturally finished hardwood base is a beautiful contrast to the soft fabric upholstery, customizable to your choice. This base sits fully to the floor and is set back two inches for additional contrast, providing a grander illusion of size and space. While the cushions easily seat three or more people in optimal comfort, the width of the armrests also offer a functional purpose as the perfect place for resting your favorite drink or a book. Keep it cozy with the Noah Sofa, or go grand with the Noah Sectional.

Details

- Kiln-dried hardwood frame with doweled joints and reinforced corner blocks
- Soft-padded frame made with polyurethane foam wrapped in polyester fiber
- 8 gauge sinuous spring construction
- 3 layer high-density foam cushioning topped with premium 100% goose feathers
- Solid smooth rubberwood base for a subtle Nordic / Westcoast touch
- To join the modular pieces together please use the connector pieces that are included
- Soft Feel ([Learn more about our sofa firmness here](#))

Please ensure to measure your entrances, elevators, hallways, and the location where you plan on putting the furniture to make sure the product will easily fit through.
