

Rove Concepts

Porter Corner

Porter Corner is a simple structured seat with boxy flare and a low-set profile. Square arm rests are made like a side table, while an elevated back rest provides ample lean-back support. High-density foam cushioning is nicely rounded and perfectly firm. Detailed pipe stitching around the edges finishes the modern design that can be combined with other Porter Modular pieces to create your perfect sectional.

Details

- Kiln-dried hardwood frame with doweled joints and reinforced corner blocks
- Soft-padded frame made with polyurethane foam wrapped in polyester fiber
- 8 gauge sinuous spring construction
- 3 layer high-density foam cushioning
- Medium-Firm Feel (Learn more about our sofa firmness here.)
- Light assembly required. Only legs are detached for your convenience

Dimensions

38.25 in x 38.25 in x 25 in (Width x Depth x Height)
Seat Height: 15 in
