

Rove Concepts

Elbow Barstool

Originally designed in 1956, this classic piece of Danish furniture entered mass production due to its functional design fit for the modern home. Attractive for its non-ostentatious profile, every feature is made with intent including the perfect angle of the curved back, ergonomically designed for human comfort. The Elbow Bar Stool is an ideal dining stool complete with an upholstered seat for increased comfort.

Also available in a counter stool version [here](#).

Also available in a dining chair version [here](#).
