

Rove Concepts

Porter Sleeper Sectional

The Porter Sleeper Sectional is a simple structured sofa with boxy flare and a low-set profile. Square armrests are made like a side table, while an elevated backrest provides ample lean-back support. High-density foam cushioning is nicely rounded and perfectly firm. Detailed pipe stitching around the edges finishes the eloquent modern design. The Porter is the perfect modern, multi-functional sectional that can easily be transformed into a bed for guests or for extra space for relaxing movie nights.
