Nico Sleeper Sectional

Nico's tailored yet pillowy form is the quintessence of luxury and a favorite in European design. Polished stainless steel framing gives a modern upgrade to the classic style. Enjoy the sumptuous all-around cushioning filled with the three layers of high-density foam. The plush, rounded form is a striking contrast to the square frame and industrial flair. The Nico Sleeper Sectional features a European-inspired design that can be easily converted into a spacious bed, perfect for when you have guests over.
